Y4Y Begins in Arizona

25 Students at Buckeye Elementary School were selected to develop Youth4Youth in their school building. After participating in three (3) full-day training sessions this team of 6th, 7th and 8th graders have decided to work toward the following goal:

Y4Y Team Goal: Eliminate Drama

The 3 D's of Drama

- Don't Create It
- Don't Spread It
- Don't Hate

- ✓ Do Communicate
- ✓ Do Keep Private Things Private
- ✓ Do Respect Others

The team will utilize the Y4Y mascot owl in promoting their message. The Y4Y mascot is now officially named “ED” which stands for “Eliminate Drama.” The group is excited about using ED to communicate their message to students in kindergarten thru fifth grade.

Their hard work and commitment allows this Y4Y team the opportunity to promote their message throughout Buckeye Elementary School beginning next school year.

Bales Elementary School

Twenty-seven (27) students from at **Bales Elementary School** participated in Y4Y team development and training. Using teamwork and a solution oriented approach the team decided to work toward the following goal:

Y4Y Team Goal: Prevent Bullying

Be Respectful
Appreciate Others
Let Someone Know About It
Eliminate Drama
Stop & Prevent

The team identified bullying issues in 4th, 5th & 6th grade that were different from those in 7th & 8th grade and look to address grade specific issues.

The overall consensus of the group was to use the word "BALES" as a foundation for the message and to put a focus on personal leadership and leading by example.

Their hard work and commitment allows this Y4Y team the opportunity to promote their message throughout Bales Elementary School beginning next school year:
